Mentoring Sessions.

HOBBIES AND INTERESTS

I love practicing sports - Soccer, Tennis & Table Tennis. Love to take long walks with my wife.
I like playing with the PS console and also chess with my kids.
I love to read so I spend a lot of time reading books on Technology, the so called self help books, news on technology, about economy and space exploration.

LANGUAGES

Español *Native Proficiency* Japanese *Learning* English *Professional Working Proficiency*

I consider myself a hard working an open minded person, proactive, with great sense of humor and keen to keep improving everyday.

I like to take ownership and responsibility to move things forward.

My goal is to be part of a team where testing, modularization, quality code, good communication and nice software principles are part of the Team's culture.

TECHNICAL SKILLS

LANGUAGE : Swift

UI Design Patterns: MVC - MVVM - MVP

Architectural Patterns: DI - Modularity - Composition.

TOOLS: Git, Bash, Xcode.
